intaBORO

TWO WAY RADIO CAR

SUV Services

There are times – client meetings, seminars, flight departures -- when you absolutely, positively must have the car where you want it when you want it and no leeway is possible. New York, however, is regularly home to unique events – presidential visits, diplomatic dinners – which often delay movement within the city.

To aid our major clients in dealing with these and other disruptions, and to provide you with greater peace of mind, we have established a higher level of service for you to call upon when necessary. It features

Knowledgeable and well-dressed drivers – suit and tie – to “meet and greet” the passenger ordering this service

Guaranteed on-time pickup after confirmation regardless of any unusual conditions other than a police-enforced lockdown

Drivers out of the car at the specified location bearing a sign with the passengers name five minutes before the requested pickup time.

Copy of Wall Street Journal or New York Times; your preference

Certain conditions do apply to this service.

Reservations must be made at least twelve (12) hours prior to the scheduled pickup.

Cancellations

In the event that the reservation is cancelled the **cancellation must** be made at least four hours prior to the scheduled pickup by phone or fax, **any cancellation** less than four hours prior to the scheduled pickup will be charged a “No Show “

Airport Pickups

intaBORO standard service waiting time begins to accumulate fifteen minutes after the car is dispatched. **intaBORO SUV Service** offers a more relaxed standard: you receive thirty minutes free for pickups from domestic flights, and fifty minutes for international arrivals.

Your uniformed driver (suit and tie) will be holding a sign bearing your name

If you carry a web-enabled device you will also receive an email providing you with the number of the car meeting you, the color of the car meeting you, the name of the driver, and the cell number of the driver

After you have received your Confirmation Number your car is guaranteed to be there waiting for you. (Reservations must be made at least twenty-four hours advance.
